October 2026 Care Fund Matching Gift

We encourage our Genesis family to generously reach out to friends, neighbors, and co-workers who are in need. Do you know someone who needs new tires, but is financially struggling? Or maybe someone needs help paying a long overdue bill. If approved, we will match your contribution toward a specific need, up to $300. This is a wonderful way to show Christ's love to our Genesis family and to our neighbors!

General Guidelines:

- Matching gifts are available through the month of October in the amount of $25 to $300.
- Any person who attends Genesis can apply for a gift to be matched.
- Only one gift per applicant and recipient is permitted, unless the Care Team discerns otherwise.
- We prefer to donate in the form of direct payment of bills; however, other methods will be considered (gift cards). In most cases, we cannot write checks to individuals.
- We are never able to distribute cash to individuals.

Your application will be reviewed and if approved, someone from the Care Team will follow up with you to discuss how to contribute your portion of the funds into the Care Fund (if you haven't already done so). We'll also discuss how you would like the financial gift to be sent, and if you wish to remain anonymous.

Step One: Fill out the APPLICATION FORM

Step Two: Care Team will review your application and let you know if it's approved.

Step Three: Make your DONATION TO THE CARE FUND

Step Four: You or someone from the Genesis Care Team will get your gift to the recipient!
